SUBJECT: Jake Gimbel Lecturer

I will be much obliged if you could sound him out for this. I tried to get Mr. Glover to clarify the specifications of this lectureship: they are as follows:

1. There need not be more than one public lecture. The guest must, however, participate in at least two or more scheduled exercises (such as a departmental conference, etc.) to enable the University to claim that the lecturer has, in fact, given the stipulated "three lectures."
2. The \$1,000 remains the limit, but we may get living costs and advertising cost somehow extracted out of elsewhere.

cc: Dr. David Hamburg

Just call him.

I called Dr. Within 2/19. He is delighted at the idea but may not be able to do it this spring owing to a trip to Europe till early May and his desire to prepare properly for it. However he will call you soon to negotiate the possibility.
